The Premises:

A very discrete basement apartment close to the tube and feels very safe.

The Lady:

A very attractive young lady and as per photos, although I have to say they do not do her real justice.

The Story:

Only waited a couple of minutes before Katrina arrived in the room and we talked about my likes and dislikes, which she was more than happy with.

Katrina then took her leave and returned shortly afterwards and immediately began to demonstrate her undoubted skills. She has a wicked smile when inflicting the justifiable punishment for disobedience. Katrina certainly knew how to find my threshold for pain but at no time did I feel at all uncomfortable with the proceedings.

When Katrina finally stood naked before me I was able to fully admire her super figure, nicely proportioned breasts, and great looks and I just could not wait to get some reward for my subservience. In this Katrina was sensational. Very sexy, very tactile, and also giving me plenty of verbal encouragement by letting me know exactly what she wanted me to do. Altogether a fantastic climax, in more ways than one, to a really great session.

I am looking forward to another visit to Katrina in the not too distant future when I hope that we can extend the boundaries of the activities and explore more of my fantasies.

Katrina - many many thanks for the great experience which was quite exceptional and I hope to see you again soon.

Very highly recommended but beware - must be treated with utmost respect or the consequences will be severe!!
