### The Premises:

Very clean and safe in a very nice block in Queensway.

### The Lady:

Exceptionally attractive with huge firm and well shaped boobs just like her pictures.

### The Story:

Appointment well organised by the agency. Put in the code to enter the building and climbed a couple of floors. Knocked on the door and heard a lot of movement inside. Eventually the door was opened and what a picture - fantastic. That's about where it ended. Took me into the lounge for a drink and passed over the bickies. Suddenly doors were opening and shutting people coming and going - three girls were working from the two bedroom flat. A second rate assisted shower - had to ask for it, followed. No serious french kissing despite I asked the agency if she did, no serious anything. I had to lead all the way. Despite one of the best bodies I have seen and had for years, I had a hard on for almost an hour before having to finish myself off with a hand job over those fantastic boobs. She did not like it. Virtually no English too - made things very hard. This is the sort of girl that would get 500 an hour if she acted as she looked - hopeless.
