The Story:

Arrived sweating like mad in the heatwave. Was greeted by Chloe who wearing a short, tight dress and heels. I asked for a shower, she asked if she could join me. Once in the shower she shampooed me, and I returned the favour. She eagerly stuck her tongue down my throat and then sucked me OWO in the shower. Off we went into the bedroom where we moved onto the bed and began exploring oen another. She greedily sucked my cock and made me squeeze her tits - hard. I then licked her nether regions, making her come twice in short order. She is the horniest girl I have ever met and more reminiscent of a pornstar than a normal woman.

I then dig her doggystyle over the bed, before she rode me on the chair in the corner of the room. Into the kitchen, where I screwed her doggystyle over the worktop (she came again), and then on the table itself (she came yet again). While I was doing that the table was sliding across the floor. Back into the bedroom and I fucked her mouth until I came. She swallowed it happily, and then we had a chat while we both got dressed. Another good girl at IK.
