The Premises:

Nice if small flat that is clearly her home. Easy to find and with a pleasant pub/wine bar over the road which proved a useful place to wait having arrived early.

The Lady:

A beautiful and intelligent Russian girl who is accurately portrayed in the website pix. She has a facial resemblance to Ms Diaz and whilst she is not model tall and slim, she does have a gorgeous, sexy body.

The Story:

My first booking with A. Barracuda and as they've had several less than positive FRs in the past (although it does seem as though things have improved more recently) I was slightly apprehensive even though Cameron's FRs have always been enthusiastic. I should not have worried - this lady is lovely and excellent company (thanks for the reassuring reports guys). She gave me exactly the sort of hour that I was looking forward to. Good, sexy bbbjs to get me going both times and sex in various positions. Whilst recovering in between rounds we had a natural, intelligent chat about various things.

I will certainly try to see her again ext time I'm in London.
