The Story:

Sorry to say this was very disappointing, hence my first posting here. This girl looks good and was willing, but spoke not a word of English. This may be OK for some but my mind needs a bit more stimulation than "baby, baby, no comprendo."

Managed to understand that OWO was not on the menu so on with the condom and proceeded with covered oral. Moved her into 69 for some tonguing and rimming (me on her) which she seemed to enjoy - very neat undercarriage. Eventually came and she gave me some wipes to clean up. Unable to stimulate any further interest from the old chap owing to inability to communicate. Finally gave up and went to the beer festival at Earls Court instead (much more fun).

I felt for ?200 this was a rip-off. I expect at least basic English for this kind of money, but if that's not important to you she's OK. Plenty better for ?150 IMHO.
