### The Premises:

Nice basement flat in mansion block in Maida Vale. I have previously visited Sabrina, from the same agency here.

## The Lady:

Very slim, with dyed/tinted red hair as per the pictures on the website. I found her very attractive, particularly when she smiled.

# The Story:

I had actually tried to book another girl from the agency, but she was not available. They suggested Melissa might be a suitable choice to relax me after a long day and they were right.

Melissa seemed a little shy at first, only to be expected I suppose if a total stranger arrives at your front door. She offered me a drink which I gladly accepted and while she was getting this for me, I sorted out the cash present for her.

Melissa undressed herself and I did likewise. I demanded a hug and she smiled and obliged. I explained that I was not feeling too energetic, but wanted to give her oral, so I lay her down on the bed and proceeded to kiss her gently around and between her legs, licking occasionally. She smiled again and seemed to relax totally, so I continued the good work until she was satisfied. Then it was my turn and Melissa gave me a long, slow, sensuous BBBJ until finally I exploded in her mouth. She waited until my spasms had ended and she had taken every last drop, then went discreetly to spit into a tissue. She came back to the bed for another kiss, cuddle and chat, until I finally dressed to leave.

Melissa is another gem !Treat her well chaps !
