Debbies - well reported and very well run.

As new punter their web site with pictures of the girls was helpfull

Easy train access - important.

Very discrete entrance- But on busy road.

The Lady:

I cannot better from another report :- "A lovely Brazilian girl in her early twenties. Coffee coloured complexion and long curly hair in light and dark shades of brown. A good figure and shaven where it matters."

Her web pictures are nice but bettered by her reality by miles.

The Story:

Lucy is a delicious punt, esp for a first visit to her, and my second ever punt! She is blessed with beauty and very sexual nature which she uses to give total satisfaction to her clients. She was as accommodating as I could imagine to my requests, and was enjoying herself a lot too. I had booked an hour and every minute was well used for our pleasure. After an erotic shower and a quality massage with her naked and sitting on my buttocks, she guided me as I fully explored her pussy which was a hairless delight and it was hard to move on to exploring her delicious arse curves, but again she delighted there too. Thanks to her intimate caresses in the slow build up I got hard enough for her to fuck me with some energetic cowgirl and the slap of her arse against me was epic. She moved into 69 without having to be asked and her BJ was fantastic even though I did not come and needed my own hand work to spray cum while rubbing against her dangling breasts. She took time and care as she wiped up the mess on each of us and we kissed and cuddled as we showered for the second time and massaged me a some more. If only home sex was the same! Can?t wait for chance of another visit.
