The Premises:

Back to the James Bond place. All very good and nice but with paper thin walls.

The Lady:

Mid to late 30s, dressed in all the gear supporting a big rack. The other two were indian (stunk strongly of fags) and a coloured girl with too much meat on the bones for my taste. Nice girl, who gives an excellent massage.

The Story:

After enjoying the massage, on with the OWO which was very good. So good in fact that for the first time punting, I lost it and shot my load within 10 minutes. she tried to stop it, and then tried to revive the old diggler, but to no avail. Just finished up with a massage. Will go back one day and shag her.
