### The Premises:

Her place was very clean and relaxing

### The Lady:

Web site said lady was 27, she may have been when the photos were taken. She looked a good 10 years older. Still has great Tits but had put some weight on.

### The Story:

Got quite a cold reception, should have cut my losses then. She was really hard work did not make much conversation and did not make me feel relaxed, kept looking at her watch. Oral was poor had problems keeping hard (only with condom). Sex was not much better, she made some noised but at this point was not interested. Left early not happy.
