### The Premises:

discreat entrance on busy Comwell Road, flat was fine. Nice bedroom.

### The Lady:

not as pretty as pics. Nicely tanned with big tits, but not a pretty face.

### The Story:

A big disappointment. Took my money straight away. OK Blowjob, but then she refused to speak a word or even make eye contact for the rest of the punt. I soldiered on but she had a very much 'couldn't care less attitude' about her. Even after sex wouldn't make eye contact or speak. Terrible massage after really bad sex was icing on the cake. I left and phoned agency to complain. The said they would speak to her and phone me back. I am still waiting for the call back.

There are some good girls with this agency. This is most defiantly not one of them. A waste of ?100.
