### The Lady:

very very sexy, curvy and lovely legs , mel is a very sexy lady she is built for comfort not for speed and boy does she take her time !!! Her pictures do not tell the full story of how sexy mel is !!

### The Story:

what a first visit this was, mel welcomed me in and her georgeous smile straight away put me at rest (I was nervous) but what she was wearing turned me on straight away.

Mel took me upstairs and after a helpful relaxing shower mel led me through to her bedroom where she got straight to work with a great massage no rush or hurry no clock watching just fun fun fun.

That was slowly followed by a grat blow job mel took my cock in her mouth and expertly sucked my rock hard cock just as i like it long and slow, gently wanking me until I nearly shot my load but mel is an expert she was taking her time, winking at me with a dirty smile in her eye's.

mel was very polite and friendly we had a giggle and when i got too horny she slowed things down and made me smile.

I asked for a few special treats before I visited mel and mel did not let me down me she took care of my every need.I'm into stockings and heels and boy did mel deliver her sexy legs wrapped in the finest black nylon stockings topped off with very horny strappy heels which she left on throught my visit yum yum I can recommend this treat boys.

After a wonder full 45 mins of playing and enjoyment I was bursting at the seam and mel covered me up expertly slipping on the condom with her mouth straddled me and fucked me till I was shooting my cum deep inside her , wow can she fuck she loves her work.

mel is a very very sexy lady a real expert I cannot wait till my next visit remember boys tell this great lady what you want and I know she will deliver I was hard for days after my visit just thinking of mel in those stockings and heals whilst she sucked my my cock.

Thanks Mel see you soon
