The Premises:

Demi place is very clean and tidy - easy to find and easy park, felt very safe and secure visiting her.

The Lady:

Demi is a lovely dark warm colour, very clean (but then she had just stepped out of the shower) and smelled absolutely wonderful. I'm not great on figure sizes but her body is great to hold and felt firm to the touch with lovely breasts and a shaven pussy, and great legs.

The Story:

Demi guided me to her flat door and left it open for me - she met me in the hall way completely naked with a very nice friendly smile. After getting the business side of thing completed while chatting she began to undress me all the while kissing me (although she doesn't do tongues) and then moved to the bed to gave some very loud covered oral - while I was lapping at her pussy which was shaven and great for licking!!!

We then moved on to three or four positions for fucking - starting with missionary and then changing to her on top sliding up and down very slowly on my cock (which is great to watch) and then asked me to finish from behind which was great as I rubbed her tits.

As I dressed, she was very chatty and friendly and didn't move to get dressed even though I knew she had a dinner date - we stood looking out of her kitchen window chatting for about five minutes and gave me a small kiss as I left. Will certainly visit again for much longer!!!!
