The Story:

Somebody else let a comment about this girl and i noticed EXACTLY the same things. At first i d like to say i ve been trapped by her look because she is attractive. She was a clock watcher, and she did everything to finish before the hour's end. She is not patient, and she does what she wants (positions). There is no CIM. She use to choose her own favorite position (doggy and mish). She asks you to go faster and faster. It was totally like Gym. At the end you re exhausted and it lasted perhaps 10-15 minutes. For me she stopped at 30-35 min. Very very bad. no GFE. She is a very selfish person and she really doesn t care about customers.
