### The Lady:

when she entered the room i was gobsmacked, great looking and a figure to die for.

### The Story:

im new to punting, reena entered the room, a bit nervous (me that was), lay on the bed and had a little chat then reena started with a great massage and body to body (loved every second), i could not resist so i started to kiss her body all over and then made my way to the love island, reena returned the favour and we finished off doggy style, great time and will be back for defo (can't believe i missed out on her before). see you soon reena.
