The Story:

Looked great in heels and mini skirt. Gives pretty good head. She really enjoyed mish and less doggy I thought. Small firm tits. Let me use a dildo on her - nice. Very smooth skin and great butt. Would be impossible to fit you knob in her arse if she allowed it - just about managed to fit the end of my thumb in there as I took her from behind. Came on her tits twice - didn't get offered CIM. Would recommend but not return myself as a little too skinny for my taste.
