The Premises:

Upstairs flat in OK area. Had to park a little way off and walk, but that wasn't a problem.

Inside of flat was very clean and in excellent condition

Fantastic receptionist in Marie who was really kind and friendly.

The Lady:

Late 20s brunette, tall, super boobs (not real...as if that matters!) lovely flat tummy, long legs with a pierced belly button and clit.

Allegedly a Sunday Sport model!

The Story:

Haley was very very fit and I was excited at what was to come but a little disappointed in the end. The rub down was average at best and she kept telling me she had just had three weeks off and didn't want to be at work.....thanks!

She made up for this however with a fantastic OWO but it was over far too soon. Mish sex to finish, nice tight pussy but she spent more time holding onto the condom than anything else.

A bit gutted really, but if looks are the most important thing in a punt you will love Haley! Will use the parlour again but try a different girl I think.
