Very pretty, 21 year old indian girl, with a fabulous figure and a lovely attitude.

The Story:

Got off work early for the bank holiday and found myself in the Baker St area with time to spare, so gave Indian Palace a call. I was told that Jada and also Jazz were working and both were available at that time, but for 20 minutes only. I duly rushed around the corner, was introduced to both girls and asked Jada to take care of me and paid her the ?70 fee.

Started with a hug, and a quick grope of her lovely breasts, then I lay back for a gentle massage.

This was followed by a wonderful BJ (covered) and sex, firstly with her on top, then doggy style. I was just nicely building up to a climax, when there was a knock on the door, a warning to Jada that time was nearly up.

That did it for me. From a nice very enjoyable session, the whole emphasis was transferred and try as I might, I could not finish against the clock. I just cannot do that ! So there I was with a delightful girl on all fours in front of me, my cock inside her, with a load I was unable to unload and the next punter waiting to get in. How frustrating is that !

I asked Jada when next she would be free, with a view to spending an unhurried hour and was told 5.00 pm. Unfortunately, I had to be somewhere by 7pm, so could not take the full hour, but settled for a half-hour session. I spent the time in between with a hard on.

The second session went much as the first one. Jada gave another excellent BJ, rode me cowgirl while I fondled those fabulous breasts and then went on all fours opposite the mirror, for a stupendous Doggy and it was a huge turn-on for me to watch her breasts jiggling and jumping as I pounded into her. This time I came in what seemed like bucket loads. As we were cleaning up, the knock came on the door again, a reminder that despite any thoughts that it is otherwise, overall, this is a business transaction.

To sum up then, Jada is a lovely girl and well worth a visit. It is a shame that she does not do reverse oral as she has the sweetest looking pussy imagineable, but for a regular GFE she is a definite plus. Treat her well!
