The Premises:

The place is very clean and tidy. Parking is very easy in one of the side roads and felt very safe walking to this place.

The Lady:

Well this lady is 23 dress size 10 and about 5'2" tall with a great pair of 36d breasts. Beautiful blonde hair and very lovely indeed.

The Story:

Well the massage was very good with no rush what so ever. Then onto owo which was even better stood in front of one of the mirrors. Then onto a very good sex session. Any position that you like and this is a first for me to find a lady who is so flexible in respect she can put her legs almost any way that you want. Very lovely time with this beautiful lady and please treat this little gem with the utmost respect so that we can all have a great time.
