The Premises:

Easy to find terraced house, 5 mins from Harrow station. Harrow is a bit rough, but not too bad a location. Clean and tidy room, although despite the end of the summer, it was like a sauna in there. All the more conducive to removing one's clothes

The Lady:

Stunning blonde lady from Lithuania. Very nice bleach blonde long hair. Carman is lithe and elegant rather than busty, but she has the most kissable nipples.

The Story:

Chose the cum twice(regular) with additional kissing, and enjoyed a very competent and sexy covered oral to completion before moving on to a rather uninspiring massage.....but that all lead onto to a nice finish in teh missionary position. Really nice punt, may well be going back
