The Story:

This was my first punt ever in London, and the choice couldn't be better.

Very nice lady, nice conversation.

At first she offered me a glass of wine.

If you want a GFE she the baby for you.

Quite chatty, we kissed a lot (and I like a lot french kisses), sex in doggy style and after a bit of chatting about us and my holidays in London.

Little massage, and lots (I mean LOTS) of kisses and cuddles.

Absolutely, absolutely and definitely recommended.

I left the flat with a big smile on my face.
