Details of Service Provider:

Profile Name: Big Boobed, Bummed, Tummed Masseuse.

Website: <http://www.bethdeboers.com>

The Premises:

2nd floor flat in converted factory, clean and warm inside, though out side not so good - said she is on move soon

The Lady:

Brilliant - exactly as discribed on her sites - big bumm tits and tum late thirties though site says she is mid forties

The Story:

Made me feel welcome as soon as she opened the door, made me a coffee whilst I had a shower. She used her hands and tits to give a very sensual back massage before letting me massage her - I got her to lay on her back so I could enjoy her tits.

I wanted a bit of pussy eating so she took me to what she called her gyno room.....the only way to dine - she got very very wet with a bit of hard licking, then on with the rubber for some hardcore shagging - I had read in a review on her that she liked being fisted so I indulged in this whilst I took her anally.

Just proved there is good paid for sex to be had and will teach me to stick to checking the web and reading reviews first.

Not often in the midlands but have taken a note for a return visit.
