The Premises:

Studio flat, was clean but cramped. Lots of work men in the building.

The Lady:

As per web site, fantastic body!

The Story:

My second visit to this girl. Seemed to remember her being better than this visit to be honest... She doesn't really french properly, she sort of pokes her tongue out at you and it felt a bit mechanical really.

Decent punt none the less, time to try someone else though...

You have to visit her if you haven't done so already!
