The Lady:

Absolutely stunning. Gorgeous face with sexy wide eyes, cheek bones that you can dive off and a wicked smile. Slim, toned, tanned with discrete tatoos and piercings. The most amazing breasts and fantastic arse and legs. Breath taking in every sense of the word!

The Story:

Greeted at the door with a wonderful kiss. Chloe was dressed in a little black dress with fishnets and heels. Made to feel extremely comfortable. Offered a drink. Smart, intelligent conversation - chatted away.

Fantastic OWO in a true porn star style. She has this sexy deep breathing that is so sensual. She soon had me gagging and so I decided to return the favour. She's very sensitive, receptive and is more than happy to receive.

On with the rubber and away with cowgirl. The sight of her breasts (natural or enhanced - who cares) is fanatastic. We had sex in several positions, including standing in front of the mirror, interspersed with more oral.

I asked if she did CIM and she duly obliged swallowing my whole built up load and letting some it trickle down her mouth and chin. She then continue to suck me off and wipe my cock all over her face and breasts. That'll live with me for a very long time.

She then gave me a massage, another drink and I then had a shower before we parted company.

An absolute cracker in every sense of the word. In eight years of punting I have never come across a more beautiful, sexy and willing lady. I'll be back...
