The Premises:

A top floor flat in Maida Vale, a short walk from Warren Street tube. She shares the flat with Anne and (for working purposes) Veronica. If only there was a lift!

The Lady:

Just like the photos! She bears a resemblance to Reese Witherspoon, so they say - and goes under the name of Reese at one of the other agencies.

The Story:

My second time with Kristina - she gives an impressive blowjob, and I find her company really pleasant. Her level of English is good, and she can keep up her end of a conversation!

I like her, and I will be back some time.
