The Lady:

I'm not at all experienced with escorts, but I can say without fear of being corrected, this girl scores a definite 10/10. Demi is a very attractive and friendly girl with an absolutely drop dead gorgeous body. I guess she works out regularly because there was not the slightest hint of fat anywhere to be seen. Perfect breasts, slim waist and a really pert bum.

The Story:

I booked Demi for an Hour. She offered a massage which I declined, we spent about twenty minutes enjoying foreplay and heavy petting. Then she gave me protected oral. She asked me to lick her pussy which with anyone else I would have declined, but as she only entertained safe oral and sex I thought it rude not to. Pleased I did, she orgasmed which gave me a lot of pleasure. Then we had protected intercourse in countless positions. I counted two more orgasms, if they weren't the real thing She certainly had me fooled. I finished off, had another kiss and cuddle then a shower in her very clean bathroom.

Needless to say, I will be back to see Demi in the near future.
