### The Premises:

my hotel

### The Lady:

this young lady is tall about 5.9 with short hair which she tells me she is growing out. With long legs and a medium pert breasts with large nipples

### The Story:

She is one hell of an experience from start to finish  
I am not going into detail but i can only say that my  
age of 55 made no difference to her and she made me work hard  
as she likes to play hard and give total satisfaction  
will be back to see her in newcastle next month if i can afford  
it will do overnight
