The Story:

Kristina has had a number of good reviews and I arrived expecting a great GFE service. It didn't quite turn out that way. Although she was unfailingly polite, the experience was disappointing. She was cold and disengaged and moved through the encounter in a stiff disinterested way. Her previous reviews suggested that she was good on foreplay and kissing. Neither was really on offer and she flinched everytime I (even lightly) touched her pussy and there was no FK.

There were also a number of 'don't do that's, including no 'fingers inside'. More than once she closed her legs and when I went down on her and through most of it she lay inert and distanced. It was almost as if she didn't want to be there. To give her her dues I did finish with OWO and CIM but even this was mechanical and cold. The moment I finished she dashed off to spit it out. Clearly I was not her type but the reality is - if you take the money, you have to deliver! Particularly as the agency has just raised its prices and this was poor VFM. So before you visit Kristina consider this - she may well turn out to be gold, but you have to be her type. Just to make sure I'm not an ogre, check out my reviews for Sabrina and Susie who also work for Barracuda, under the reviewer name 'Bill'.
