The Premises:

Place was clean and well kept; she shared with at least 1 other WG. Near the junction of Cromwell Road and Earls Court Road, opposite the Malaysian Airlines building. About a brisk 10 minutes walk from Earls Court tube station. Felt safe.

The Lady:

Attractive blonde lady, though not 21 as the site suggests, rather closer to 31. Not as good looking as the photos would suggest, but attractive nonetheless

The Story:

Tried a few ladies from this site already, and save for Natalie (now called Helena), all have been good experiences. Arrived a few minutes early, and was told by an attractive brunette to come back in 3 minutes. Wasn't the girl in the photo's so I was a little disappointed. Went back again in 10 minutes, and this time an attractive looking blonde answered.

Sophia led me to her room - asked me for the package which I speedily handed over, and she excused herself to call the agency. Came back in no time, and we started making out, FKing and undressing. She said she was from Moscow and spoke enough English to get by. Tits were a little saggy (now I know why she's clothed in all of her pics). More passionate FK, and she started to work on my nipples and move further south. OWO was good, which she performed with skill (with tongue and no teeth) for the next 10 mins. Not sure if CIM was on offer, but I think if I was closer to cumming, it might have been.

She then reached for a condom, and I got on top, missionary first, then finishing her off in my favourite doggy position. Good GFE all the way and was drained.

Lay down for a while with her before a quick clean up, and checked out.

Might be tempted to come back for a CIM, but in all likelihood, my passion for variety should prevail.
