### The Premises:

Just off a main road from Nottingham (address on website), with parking round the back and on side streets. Place has been running for a couple of years and is a nice comfortable house, comfy bed, mirrors on wall.

I understand the biggest problem for most punters was the previous owner, who was very scary, but it's now advertised as "Under New Management", so thought I'd give it another visit

### The Lady:

On the phone, Linzi is described as 40, brunette, and then lots of other figures I can't remember off the top of my head. Suffice to say, the curves all add up in the right places. To my eyes, she was attractive and sexy, I'll leave it for others to judge whether I need an eyetest. Pictures on website will give a reasonable idea of the curves, if not the face.

### The Story:

This was the 3rd time I've met Linzi, though the first at Passions. I'd met her a couple of times in Stapleford, but she'd recently moved. Having seen the ad in the local paper saying about the new management and then having a view of the website, so I did a quick 2+2, and took a chance to check the mathematics the next chance I had.

When she opened the door, I got a really big welcome, because I had managed to track her down with the change of location. We moved through to the bedroom, and had a good old natter on the bed, about why the change of parlour, and about what's happening at Passions, and about the (not quite yet) previous owner. It was all very relaxing having the chat, and even better because I had my head buried in her bosom. Marvellous.

Slowly we moved onto other stuff, but I won't go into detail, not out of a sense of decency, but because it was more of a chatty, gossipy friendly meeting with a bit of sex thrown in, than a usual punt. It was just the nature of this session. I can say that from the previous meetings with Linzi, and her previous reports (when she was with Northern Angels for those with a good memory), then I can't see anyone being disappointed.

Definitely worth a visit, and thanks Linzi, for all the inside gossip.
