The Premises:

Clean apartment off heavily trafficked street in posh area. So perfectly safe and discreet.

The Lady:

Photos are accurate, though she seems a little younger in person. Very pretty girl. Slim, large natural breasts, and a very sweet smile.

The Story:

She greeted me in panties and bra, looking very attractive. I won't go into the detail about what we did, but she was very sweet and enthusiastic throughout.

Her english is fairly basic, so that limited the chit chat in between sessions, which I actually find an important part of the experience. I personally don't think that I would book her again for that reason alone. However, there is absolutely no faulting her for her appearance or performance, so if the talking isn't important to you, then I would definitely recommend her.

This was my first time booking through an agency and was delighted to find Agency Touch of Class to be so professional and helpful in setting up the appointment and accurate in its description of the lady.
