### The Premises:

Sandys  
All been said before this is definately the best parlour that I know of  
fantastic service and very friendly all round

### The Lady:

Wow  
I went to see Nickita who unfortunately had a car accident so I "was without a date" then she  
walked in and I was smitten

### The Story:

Fantastic girl  
really put me at ease  
and boy can she kiss  
nice mutual massage and chat (she really has velvet skin)and thiis intersperced with those kisses  
and witty one liners to make me laugh  
I had a fantastic time  
She taste quite delightful and I really do belive that the thigh pressure on my ears indicated that  
she truely did orgasm  
Then I needed to be inside her  
I wont go into further details but hey "Squinty" I think I love you
