The Premises:

Nice basement flat on the main road which she shares with another person. It was clean and in a safe area.

The Lady:

Nice lady similar to the photos but maybe she is a little heavier, which is not really a bad thing.

The Story:

Nice lady, spoke adequate english and the whole encounter was more of a GFE than anything else. She started off with a striptease show and after about 10 minutes, moved on to OWO which was nice. All in all, a nice punt but I think I will continue to venture out and see other nice ladies.
