The Premises:

Large modern apartment block being refurbished to a high standard. Ideal for the purpose.

The Lady:

Nikita Devine and Mazel. No descriptions needed as pics of both are well posted on various sites. Suffice to say both are stunning. The only comment I'll make is that however accurate the photos are they will never display the size of Nikita's personality, and you will only understand what I say if you have the good fortune to meet her. Mazel will never have the same personality (Nor will anyone else, she is totally unique) but has looks that could launch 1000 ships, and is just pure sex on legs.

The Story:

I've been going to Steve's parties for a few years now and thought it was about time to tell you what all the fuss is about. The 2 girls this time are typical of what you'll meet and occasionally there will be an unannounced extra with dangerous amounts of enthusiasm. The atmosphere is always relaxed and the ratio never gets out of hand, you even get really lucky occasionally. I spent an hour at one party in 2 girl sandwich and I've been to a couple with only 1 other guy.

Any criticisms? Yes. Steve, Jaffa Cakes are not sufficient fuel for a full on 2 hour shagging session!
