The Story:

Paid up and had a drink in the living room, with lots of grinding and kissing (no tongues, but passionate). Then had a shower at her request (did I smell?). In to the bedroom and had a nice erotic dance from her. Her tits and ass are nice and firm. Lots of kissing and a great BBBJ. Great speed, technique, hand action and erotic, in fact one of the best BJ's I've had in a long time. On with the rubber and rode away, shot inside and then she gave me a great massage to fill the rest of our time. this got me going again so rolled over and she went OWO again.. A great experience, would definitely come again and maybe include her flat mate Crystal next time. An all round solid performance it was part GFE and part PSE.
