The Premises:

Debbies has been written about so many times, and is exactly as described.

The Lady:

Daniella is a very pretty girl with a full figure - slim but with great breasts and legs. She has lovely eyes, nice dark hair and a wicked smile.

The Story:

This was my first visit to the famous Debbies and I was told Daniella was new to the establishment too. She is a gorgeous girl and very friendly. We went into the shower after she undressed me, and she soaped my body, drying me afterwards. After some kissing, and she is a very good kisser, she sucked me, then straddled me for a fuck. She was very enthusiastic - but that was part of the problem.

The word most often used about Debbies is "unhurried", but despite my request to slow down a bit, I felt like I was being hurried - and I came sooner than I was ready to. I then felt she was keen for me to dress quickly and leave, which is a shame, because I left feeling rather disappointed. Maybe it was because she was new to Debbies but I went away feeling that what could have been a great experience had ended as a bit of a let-down. Would I recommend her or visit again? I'd have to think about it.
