The Lady:

Elisa is far prettier than her photos suggest and has a great smile and a fantastic personality. Unfortunately for me she was a little too pear shaped and her boobs weren't as big as I would want (well I'm paying money... why can't I be fussy?). I'd say she is also a stone heavier than when the pics were taken.

The Story:

I feel bad in criticising Elisa (also Nola on other sites) as she is a lovely girl and made me feel great, but I had been looking forward to a perfect figure and she was some way short of that. She is lovely and very willing to please and her BJ's are something else - getting her to open wide whilst I held her head and filled her mouth up with cum was a great sight and I daresay more is on offer. For me, I'm still on my quest - PSE with big natural boobs on a small frame.
