The Story:

this was my first time for an over night visit, and I can say this girl is like a real partner but more. she arrived at my hotel slightly late, but she made up for it, first we had a shower and got to business, this you will have to try her to find out what she is capable of doing, then off we went to Broad Street, few drinks and a meal, Cassie had never been to a Lap Dancing so I decided to take her to Spearmint Rhono, back to the hotel and for some more fun, she gives a nice owo.
