The Premises:

Studio flat in a large block in Sloane Avenue. The Porter looks at you a bit curiously, but if you nod and make straight for the lift, there is no problem.

The Lady:

As per the website, tall, slim Russian girl, early twenties, pretty, friendly. Clean shaven, with small breasts.

The Story:

This was a bit of a disappointment, not really through any fault of Bianca's, but more my own expectations not being met.

Bianca was not my first choice. I firstly made an appointment with Karolina, but had had a bad experience leaving her address when last I was there to see another girl. As I did not feel safe going there again, I asked for a different appointment and ran through a list of girls, most of whom were not available but one of whom was Bianca.

When she opened the door to me, she was taller than I had anticipated and towered over me in her heels. I dare say that I was not quite what she anticipated either and smaller than she expected. She looked good though and so I opted to stay.

When I returned from the shower, Bianca had stripped to her bra and pants. A brief session of kissing followed, then I lay her down and began to kiss and lick between her legs, building up a nice rhythm. Bianca seemed to like this and I carried on for quite a while as she got more and more wet. After about half an hour, we swapped places and she took me in her mouth began to suck vigorously. At my asking, she tempered this to a more gentle manner and soon I was on the brink, then over it as I began to spurt.

I gather CIM was not an option, as Bianca lifted her head away sharply and finished me off by hand onto my body. She then cleaned me with some tissue and I showered again and left.

As I say, this was a disappointing punt for me, probably because we did not "click" and I got the feeling that because of this, she was going through the motions. Perhaps others will find the spark, but I will not be seeing her again.
