### The Premises:

Well established parlour in Leicester. Back entrance is available also.

### The Lady:

In her mid thirties with blonde hair, slender figure around 5 '6' and with a pert bottom.

### The Story:

Courtney has a pretty figure and will engage in gentle kisses. After 3 years out and a couple of parties, this was a return to 1 on 1 punting. Courtney is a pleasant conversationalist and attractive. However if not for the the pleasant kissing this would have been in the not again list. Courtney's approach does not really allow for any real build of sensual tension so kissing, r/oral or sex can be prematurely cut short to be moved on to the ultimate completion.

If you are looking for a steady punt on a weekend afternoon this could be more than adequate as her body and personality are very good. However for a more intense gfe there will undoubtedly be better propositions.

Possibly without the experience of parties whereby a choice can be found and stuck to for a time this might have been a more positive report.  
Over and out.
