The Story:

This is the fourth or fifth time I have seen Sophie. First time was in a hotel in Basildon, all the other times have been at her flat near Grays. Won't ever see anyone else again as I can't believe anyone will ever come close to her for looks or personality. If she retires I retire !

Pictures of her face are not on her sight but she looks very similar to Scarlet Johansson, stunning. I admit I first went to see her because I have always been attracted by BBW type woman but to be honest the reason I keep going back to see Sophie is her personality, eyes and smile in no particular order. She is incredibly friendly and always puts me at ease. An amazing girl and I always feel on a high for days after seeing her.
