The Lady:

a dusk babe with a stunning figure. she has 34c breasts which are a real handful and sexy pert nipples which always seem erect. she is a tall bae with a stunning figure and an arse to die for. her pussy is out of this world and cleanly shaven. she has this most sexy french accent which makes me hard just to hear it.

The Story:

into the room and she began a sexy body massage paying a lot of attention to my arse and balls. she reached under and played with my cock which was soo standing to attention. she rubbed her tits over my body and i could fell those nipples standing out.

she turn me over and it was straight to owo and some reverse o - her pussy tasted so nice. after some mutual oral she put on the hat and we bgan with her riding me cowgirl and did i play with those tits!! we then went to doggy style by which time she was wet and making a lot of noise. finally off with the hat and i just had to come over those tits!!
