The Story:

This was a fantastic experience , after a long journey I was tense and tired when I arrived at Demi's. She asked me what I wanted her to wear and I picked out a lovely PVC catsuit (She has a wardrobe full of play clothes !) Before I knew it I was naked flat down on the bed getting a lovely firm massage. This was as good as any "proper" massage I have ever had.

After 20 mins of this my back was feeling great and my headache totally gone

We then moved onto the next stage of the booking. Without going into too much detail Demi has a knack of knowing exactly what you want. She turned from a caring lady giving me a lovely massage into a full on PSE !

45 mins passed by in a flash and before I knew it it was time to leave. After a quick kiss and cuddle I left after making a promise to come back soon

Thanks for a lovely time !
