The Premises:

Anna's house is undergoing some renovation work, so it's a bit cluttered at the moment but it'll be nice when finished. That didn't bother me at all, although Anna apologised about the mess. She has a special bedroom ? mirrors around the walls, dimmer lights and a huge bed, so everything important has been sorted out. It's a safe area ? very nice actually - and Anna is very discreet when giving out directions and when answering the door.

The Lady:

Have a look at Anna's site. She's a pretty lady in her late 30s, I believe and has a great figure. Fantastic breasts. She has long blonde hair. The word ?miserable? does not feature in her vocabulary ? she was a ray of sunshine from start to finish. A good chatter ? and sexy with it.

The Story:

I had a shower and she got herself dressed in the outfit I'd requested ? a classy cocktail dress that showed off her breasts nicely. I lay on the bed and she gave me a pretty good massage ? I think she's trained in aromatherapy. Some kissing took place and then we got up close and personal, as it were. I didn't last as long as I wanted to ? but then, I never do when in the hands (or whatever) of a lady who knows how to use her body. An excellent, laid-back, gentle, unrushed kind of visit that left me feeling good on the drive back. She's only about 5 mins drive from the M60 so I'm very likely to return.
