The Premises:

A discreet off street parlour. It is clean and I was given a friendly welcome and told that Jordan would be about fifteen minutes.

I was shown to the waiting room and left to watch a DVD and read the plentiful papers and mags.

The Lady:

Very much as per the description on the web site. Jordan is not a girl for the lovers of the anorexic look but neither is she an unpleasantly large girl. She is very friendly and lets you know straight away that she is up for lots of fun. She is very open to suggestion and has a wicked look in her eye when you suggest something that she really likes.

The Story:

I will not go into details of what went on in the room, but it was an hour that was full of activity and variety. She gives a terrific GFE and left this punter very happy if exhausted. If you have a weak heart then be careful. I am afraid to praise Jordan too much (that is not possible) for fear that I will have trouble booking her again. Please gents treat her with respect and ensure she carries on working in Preston. A real star. Thanks Jordan, see you again soon.
