The Story:

My first visit to Brooklyn's though I'd gone there purposely to see Nikki. She, however, was with a customer and with another one waiting I opted for Louise. She's a friendly girl with a lovely face, long legs and small boobs. I paid the ?10 extra for owo (cim is ?20) which she performed by kneeling on the floor in front of me. Then on with the rubber and fucked in a number of positions before cumming. I'd recommend her to anyone, her deepthroat oral is superb, but I prefer the more bustier brunette lady. An excellent punt though.
