The Premises:

'Kandy's' new premises around the corner from old venue. Parking quite safe but not in particularly nice area of town. I felt safe in daylight but not sure about after dark. Venue clean if sparsely furnished, private area comfortable with subdued lighting.

The Lady:

Petite, long blonde hair and fit well toned body. Lucy did have what appear to be eceyma dry patches on her skin, sparkling personality and hairless pubic area.

The Story:

Lucy's personality, humour and energy lit up this rather drab environment. Being over ambitious I had booked an hours VIP treatment but try as she might in an exceptionally skilled and erotic way Lucy was unable to get me to rise to the occasion a second time. First time around was started by a better than average back and buttock massage before being turned over for an extended bout of kissing and cuddling. Lucy promised a GFE and this she provided. Lots of oral and reverse oral, covered, Lucy was very wet and very sweet tasting before fucking in missionary position. Despite my inability to perform again Lucy continued with a lot of cuddling, kissing and caressing. A much better way to spend an hour than working!
