The Premises:

Very nice upmarket apartment in the hilly part of North Guildford. Easy to find once you have found it. Take a street map if this is your first visit! Free parking outside in the street.

The Lady:

Pearl is an attractive lady in her late 40s, tallish with a good figure. She is very well spoken on the telephone and she is extremely welcoming when you arrive. I was put at my ease immediately and offered a cup of tea whilst we chatted about my requirements.

The Story:

I have visited Pearl twice now and each time, she has been very good at understanding my needs, and adapting what she can offer to my particular likes and dislikes. She does a fantastic oral and every position you might request, and nothing is hurried or faked. Pearl is genuinely a very pleasant lady, extremely sensual and eager to please.

Pearl only sees men over 40.
