The Lady:

When I answered the door to Sophie I could not believe my eyes. She is a beautiful blonde lady of 26 with a lovely bright, cheerful smile . Sophie's website does not do her justice. She has an amazing voluptuous figure with real 36HH boobs, shapely legs and the most kissable soft round bottom I have ever seen.

The Story:

Sophie has a great personality and she is very easy to get along with.In fact her personality is even better than her wonderful good looks. I will not go in to detail about what we did .She certainly knows how to put a man at ease and give him the time of his life! Everything we did seemed perfectly natural and good fun. The two hours we spent together went by all too quickly. I had a really great time. Treat Sophie with warmth and respect and she will give you an experience you will never forget.
