The Lady:

jazz is a stunning genuine punjabi girl with a body 2 die for, she looked absolutely drop dead gorgeous wearing blk & red baby doll outfit with high heels, and she had a very warm welcoming smile.

The Story:

basically it was a come twice service which i was a bit hessitant to go ahead with as i didnt want to let myself down. however when i saw jazzs naked body & hands all over me! i realised that this baby was goin to deffenetly make me cum twice without a shadow of a doubt! had a nice massage lovely soft hands then then she started stroking my manhood it was so intense on came the jacket for a lovely bj made me cum in no time. had a little chat here lovely hands all over me again until it stood up put on the rain coat missionary position then jazz got ontop boy this girl knows how to move she knows wot sex is all about. guys if you havent seen her yet i suggest you go to indian palace in a hurry!
