The Premises:

Very cosy and trendy appartment , near High Street Kensington tube station, in a very nice area of South West London. Nicely decorated and with comfortable rooms. Very discreet and safe.

The Lady:

Belinda is a tall and busty english beauty with natural big breasts and well proportions over her body.

The Story:

I thought that i should try Belinda because of her busty figures which i like, her smile and her physical beauty. All my expectations came true. From the first time i entered her cozy appartment she made me feel like i went to my girlfriend's house. All the time she was extremely friendly, with a smile in her face, the ULTIMATE GFE. I dont want to enter more personal details but be sure that Belinda is an attractive and sexy lady. Treat her right lads...HIGHLY RECOMMENDED...
